

HPE Financial Services

Creating smarter IT lifecycles

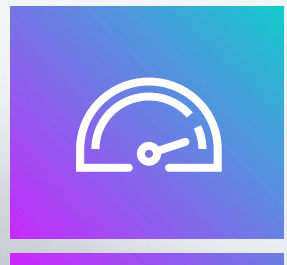

Plan, fund, and fast-forward your digital transformation

Create new opportunities by aligning your tech assets and business objectives for long-term growth.

Manage IT assets and resources to operate at peak efficiency, lower costs and minimize e-waste.

Remove funding barriers through an IT portfolio approach and find the untapped value in your IT estate.

IT financing and asset management solutions

» Fair market value lease

Converts upfront cash purchase into monthly, quarterly or annual payment structure. Cumulative payments will equal less than purchasing equipment outright. Customer can refresh to the most innovative equipment every 3–4 years.

» Full Payout Financing

Converts upfront cash purchase into monthly, quarterly or annual payment structure. Customer will own the equipment at the end of the term. Option to work with HPE Asset Upcycling Services at end of term to sell back the equipment.

» HPE Subscription Services

HPE Subscription Services provide a worry-free, flexible, and turnkey solution that lets you package best-in-class hardware, software, accessories, and services into a convenient per-unit model.

» HPE Asset Upcycling Services

HPE Asset Upcycling Services deliver a flexible, consistent process for retiring IT equipment. As you refresh your servers, network and storage, HPEFS can help build a customized plan for your business' unique needs and navigate through the applicable data security and environmental laws.

» HPE Certified Pre-owned Services

HPE Certified Pre-owned products can meet your unique technology requirements and help you achieve your business and sustainability goals. All equipment is custom-configured, tested, and certified using HPE proprietary tools and methods.

» HPE Accelerated Migration Services

HPE Accelerated Migration Services can help you fast track your data center transformation with minimal disruption to your current environment. Unlock the hidden value in your existing IT assets as you transition to new IT solutions. Shift existing, owned IT assets to a flexible usage payment model during the transition and free up cash for new IT investment.

Achieve more, faster, with greater results with HPE Financial Services
